WORK EXPERIENCE

Student Assistant

IWH - Halle Institute for Economic Research / CompNet [01/09/2023 – Current]

City: Halle (Saale) | Country: Germany

I work on empirical research related to firm-level productivity and competitiveness across Europe. I analyze large datasets using Stata and R, ensuring data accuracy and supporting policy-oriented research. I also manage communications with Statistical Offices and National Banks across EU nations, coordinating data requests and maintaining compliance. Additionally, I handle CompNet's website and social media, updating content and promoting research findings to engage policymakers and the academic community.

Senior Research Associate

PitchBook Data [01/03/2021 – 01/09/2022]

City: Mumbai | Country: India

I adeptly track financial transactions on a global scale while assuming responsibility for training new team members. Additionally, I ensure rigorous quality checks throughout our workflow, guaranteeing the accuracy and reliability of our financial data. Through my expertise and guidance, I contribute to a seamless and efficient process, supporting informed decision-making and maintaining high standards of excellence within the team.

Senior Partner

New Sky Enterprises [01/10/2018 – 31/10/2019]

City: Mumbai | Country: India

I am experienced in resource utilization, operations review, budgeting, expense tracking, resource planning, subcontractor management, utilization tracking, internal systems, approvals, and financial analysis. I excel in account planning to support Workday's and our Customers' objectives, delivering cost-effective processes and driving operational efficiency.

Staff Accountant

VirgoTech Marine Engineering [01/04/2017 – 03/04/2018]

City: Mumbai | Country: India

I ensure accurate completion of monthly financial statements, including cash flow, balance sheet, and income statements. I provide cash position monitoring, ensuring bank balance optimization to avoid overdrafts, and ensure timely clearance of check payments.

Accountant

P.S. Raj Shipping Enterprises [01/07/2016 – 01/04/2017]

City: Mumbai | Country: India

I oversee and reconcile daily banking activities and cash applications, ensuring accuracy and completeness. Additionally, I perform account reconciliations to maintain financial integrity and generate monthly revenue analysis reports to provide valuable insights. With meticulous attention to detail, I ensure the smooth flow of financial operations and contribute to informed decision-making processes.
